In the Matter of:

ORDER

On December 21, 2020, Farmdale Water District (Farmdale District) filed its motion for extension of time requesting an extension from the deadline of November 4, 2020, to April 20, 2021, in which to comply with the requirements of the July 7, 2020 Order. Farmdale District stated that Kentucky Rural Water Association (KRWA) is performing a comprehensive water audit and requires records that can only be obtained by attending the Farmdale District offices in person. The COVID-19 State of Emergency restrictions have prevented KRWA from completing the audit. Farmdale District requires the results from the audit to develop its Qualified Infrastructure Improvement Plan (QIIP). Farmdale District stated that extending the time to comply with the requirements of the July 7, 2020 Order will allow KRWA enough time to complete the comprehensive water audit and for Farmdale District to file its QIIP.

The Commission finds there is good cause to grant the extension of the deadline from November 4, 2020, to April 20, 2021, for Farmdale District to comply with the requirements of the July 7, 2020 Order.

IT IS THEREFORE ORDERED that:

1. Farmdale District's motion filed December 21, 2020, is granted.

2. Farmdale District shall comply with the requirements of the July 7, 2020 Order by April 20, 2021.
